

Kyudokan Kerry Prices 2021/2022

The saying “Kyudo Mugen” which roughly translates as “The study of the way is never ending” is often associated with the Kyudokan. We believe that progress in a martial art can only come from regular practice. For this reason, we have chosen to keep the costs as low as possible in order to encourage students to train regularly.

Below are the costs per class. In most cases, the monthly payment is the simpler way.

Payment Monthly

Monthly payments are suitable for people who intend to train at least once a week. Payment is due at the beginning of the month and the student can attend as many classes as they want during the month.

Under 16 years old: €25.00

16 years old and over: €50.00

Family (one adult and one or more children from the same family) €60.00

Payment per class

For those of you who are likely to attend less than 4 classes a month, it is possible to pay per class. The fees for the payment per class is as follows:

Under 16 years old: €5.00

16 years old and over: €10.00

We cap payments to €50 for adults and €25 Euro per child, however, we would prefer monthly payments as it simplifies our administration greatly.

We do not offer per class payments for families.
